TARIFF FORMAT

- A. Sheet Numbering - Sheet numbers appear in the upper-right corner of the sheet. Sheets are numbered sequentially. However, new sheets are occasionally added to the tariff.
- B. Sheet Revision Numbers - Revision numbers also appear in the upper-right corner of the sheet. These numbers are used to determine the most current sheet version on file with the Commission. For example, 4th Revised Sheet 34 cancels 3rd Revised Sheet 34.
- C. Paragraph Numbering Sequence - There are various levels of alphanumeric paragraph coding. Each level of coding is subservient to its next higher level of coding.
 - 2.
 - 2.1.
 - 2.1.1.
 - 2.1.1.A.
 - 2.1.1.A.1.
 - 2.1.1.A.1.(a)
- D. Check Sheets - When a tariff filing is made with the Commission, an updated check sheet accompanies the tariff filing. The check sheet lists the sheets contained in the tariff, with a cross reference to the current revision number. When new sheets are added, the check sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There will be no other symbols used on this sheet if these are the only changes made to it (i.e., the format, etc., remains the same, just revised revision levels on some sheets). The tariff user should refer to the latest check sheet to find out if a particular sheet is the most current sheet on file with the Commission.

SECTION 2 - RULES AND REGULATIONS

2.1 Undertaking of the Company

The Company services offered pursuant to this Tariff are furnished for Local Exchange Service among specified points within a Local Calling Area. The Company may offer these services over its own or resold facilities.

The Company installs, operates, and maintains the communications services provided herein under in accordance with the terms and conditions set forth under this tariff. The Company may act as the Customer's agent for ordering access connection facilities provided by other carriers or entities as required in the Commission's rules and orders, when authorized by the Customer, to allow connection of a Customer's location to the Company's network. The Customer shall be responsible for all charges due for such service arrangement.

The Company's services and facilities are provided on a monthly basis unless otherwise indicated, and are available twenty-four hours per day, seven days per week.

2.2 Limitations

- 2.2.1 Service is offered subject to the availability of the necessary facilities and equipment, and subject to the provisions of this tariff.
- 2.2.2 The Company reserves the right to discontinue or limit service when necessitated by conditions beyond its control, or when the Customer is using service in violation of the provisions of this tariff, or in violation of the law.

SECTION 2 - RULES AND REGULATIONS, CONT.

2.2 Limitations, cont.

- 2.2.3 The Company does not undertake to transmit messages, but offers the use of its facilities when available, and will not be liable for errors in transmission or for failure to establish connections.
- 2.2.4 All facilities provided under this tariff are directly controlled by the Company and the Customer may not transfer or assign the use of service or facilities without the express written consent of the Company. Such transfer or assignment shall only apply where there is no interruption of the use or location of the service or facilities.
- 2.2.5 Prior written permission from the Company is required before any assignment or transfer. All regulations and conditions contained in this tariff shall apply to any assignee or transferee.

2.3 Use

Services provided under this tariff may be used for any lawful purpose for which the service is technically suited.

2.4 Liabilities of the Company

- 2.4.1 The Company's liability for damages arising out of mistakes, interruptions, omissions, delays, errors, or defects in transmission which occur in the course of furnishing service or facilities, in no event shall exceed an amount equivalent to the proportionate charge to the Customer for the period during which the faults in transmission occur.

SECTION 2 - RULES AND REGULATIONS, CONT.

2.5 Deposits

Applicants or Customers whose financial condition is unknown or unacceptable to Carrier may be required to pay a deposit. If actual usage data is available for the customer at the same or similar premises, the deposit amount shall be calculated using the customer's average bill for the most recent twelve (12) month period. If actual usage data is not available, the deposit amount shall be based on the average bills of similar customers and premises in the system, not to exceed two (2) month's actual or estimated usage. If customer fails to pay for service or equipment, the deposit will be applied to the outstanding balance. If, at any time, Carrier feels that the customer has established satisfactory credit, the Carrier will refund the amount of the deposit. In any event, deposits or remaining balance thereof will be returned upon termination of service.

Interest will accrue on customer deposits held by the company, beginning on the date the deposit is made.

2.6 Advance Payments

Recurring Charges: Customers not required to make a deposit may be required to provide advance payment to the Company, in an amount not to exceed one (1) month's estimated charges as an advance payment for service. This will be applied against the next month's charges and a new advance payment may be collected for the next month.

Non-Recurring Charges: The Company reserves the right to require pre-payment of applicable non-recurring charges. In addition, where special construction is involved, advance payment of the quoted construction charges may be required at the time of application for service.

2.7 Taxes

All state and local taxes (including but not limited to franchise fees, excise tax, sales tax, municipal utilities tax) are listed as separate line items and are not included in the quoted rates.

2.8 Equipment

- 2.8.1 The Company's facilities and service may be used with or terminated in Customer-provided terminal equipment or Customer-provided communications systems, such as a PBX, key systems or Pay Telephone. Such terminal equipment shall be furnished and maintained at the expense of the Customer, except as otherwise provided. The Customer is responsible for all costs at his or her remises, including personnel, wiring, electrical power, and the like, incurred in the use of the Company's service. The Customer is responsible for ensuring that customer-provided equipment connected to Company equipment and facilities is compatible with such equipment and facilities.
- 2.8.2 The Company shall use reasonable efforts to maintain facilities and equipment that it furnishes to the Customer. The Customer may not, nor may the Customer permit others, to disconnect, rearrange, remove, attempt to repair or otherwise interfere with any of the facilities or equipment installed by the Company, except upon the written consent of the Company.
- 2.8.3 Equipment the Company provides or installs at the Customer premises for use in connection with services the Company offers shall not be used for any purpose other than that for which the Company provided it.

SECTION 2 - RULES AND REGULATIONS, CONT.

- 2.8.4 The Customer shall be responsible for payment of service charges, as set forth herein, for visits by the Company's agents or employees to the premises of the Customer when the service difficulty or trouble report results from the use of equipment or facilities provided by any party other than the Company, including but not limited to the Customer.
- 2.8.5 The Company shall not be responsible for the installation, operation or maintenance of any customer-provided equipment. Where such equipment is connected to the facilities furnished pursuant to this tariff, the responsibility of the Company shall be limited to the furnishing of facilities offered under this tariff and to the maintenance and operation of such facilities. Subject to this responsibility, the Company shall not be responsible for the transmission of signals by customer-provided equipment or for the quality of, or defects in, such transmission; or the reception of signals by customer-provided equipment.
- 2.8.6 Upon reasonable notification to the Customer and at a reasonable time, the Company may make such tests and inspections as may be necessary to determine that the customer is complying with the requirements set forth in the section for the installation, operation and maintenance of customer-provided facilities, equipment and wiring in the connection of such facilities and equipment to Company-provided facilities and equipment.
- 2.8.7 Title to all facilities provided by the Company under this tariff shall remain in the Company's name or in the name of the carrier supplying the services and facilities being resold.

2.9 Installation

Service is installed upon mutual agreement between the Customer and the Company. The service agreement does not alter rates specified in this tariff.

2.10 Payment for Service

The Customer is responsible for payment of all charges for services and equipment furnished to the Customer or to an Authorized User of the Customer by the Company. All charges due by the Customer are payable to the Company or to any agency duly authorized to receive such payments. Terms of payment shall be according to the rules and regulations of the agency and subject to the rules of regulatory agencies, such as the Kentucky Public Service Commission.

The Company's billing invoices will be considered correct and binding upon the Customer if no notice is received from the Customer within thirty (30) days of the date of the invoice. (Billing inquiries may be made in writing, in person, or via telephone.) Adjustments to Customer's bills shall be made to the extent circumstances exist which reasonably indicate that such changes are appropriate. Upon receipt of a billing inquiry, charges involved in the disputed element(s) of the invoice will be temporarily suspended pending resolution of the dispute. The Customer, however, remains responsible for the timely payment of the non-disputed elements of the invoice. If a Customer is not satisfied with the Company's response to an inquiry or request for credit, he or she may appeal to the Kentucky Public Service Commission for final resolution.

SECTION 2 - RULES AND REGULATIONS, CONT.

2.11 Late Payment Charge

The Company will assess a late payment charge equal to 1.5% for any past due balance that exceeds thirty days. A late payment penalty may be assessed only once on any bill for rendered services.

2.12 Cancellation by Customer

Customer may cancel service by providing oral or written notice to the Company.

2.13 Interconnection

Service furnished by the Company may be connected with the services or facilities of other carriers or enhanced service providers. The Customer is responsible for all charges billed by these entities for use in connection with the Company's service. Any special interface equipment or facilities necessary to achieve compatibility between these entities is the responsibility of the Customer. Neither the Company nor any connecting carrier participating in a service shall be liable for any act or omission of any other company or companies furnishing a portion of such service.

2.14 Refusal or Discontinuance by Company

The Company may refuse or discontinue service under the following conditions provided that, unless otherwise stated, the Customer shall be given proper notification in accordance with 807 KAR 5:006 Section 14 to comply with any rule or remedy any deficiency:

SECTION 2 - RULES AND REGULATIONS, CONT.

- 2.14.1 For non-compliance with or violation of any State, municipal, or Federal law, ordinance or regulation pertaining to telephone service.
- 2.14.2 For use of telephone service for any other property or purpose than that described in the application.
- 2.14.3 For neglect or refusal to provide reasonable access to the Company or its agents for the purpose of inspection and maintenance of equipment owned by the Company or its agents.
- 2.14.4 For noncompliance with or violation of Commission regulation or the Company's rules and regulations on file with the Commission, provided ten days written notice is given before termination.
- 2.14.5 For nonpayment of bills, including bills for any of the Company's other communication services, provided that suspension or termination of service shall not be made without seven days written notice to the Customer, except in extreme cases.
- 2.14.6 Without notice in the event of Customer or Authorized User use of equipment in such a manner as to adversely affect the Company's equipment or service to others. Within twenty-four (24) hours after such termination, the utility shall send written notification to the customer of the reasons for termination or refusal of service upon which the utility relies, and of the customer's right to challenge the termination by filing a formal complaint with the Commission.

SECTION 2 - RULES AND REGULATIONS, CONT.

- 2.14.7 Without notice in the event of tampering with the equipment or services owned by the Company or its agents. Within twenty-four (24) hours after such termination, the utility shall send written notification to the customer of the reasons for termination or refusal of service upon which the utility relies, and of the customer's right to challenge the termination by filing a formal complaint with the Commission.
- 2.14.8 Without notice in the event of unauthorized or fraudulent use of service. Whenever service is discontinued for fraudulent use of service, the Company may, before restoring service, require the Customer to make, at his or her own expense, all changes in facilities or equipment necessary to eliminate illegal use and to pay an amount reasonably estimated as the loss in revenues resulting from such fraudulent use. Within twenty-four (24) hours after such termination, the utility shall send written notification to the customer of the reasons for termination or refusal of service upon which the utility relies, and of the customer's right to challenge the termination by filing a formal complaint with the Commission.
- 2.14.9 Without notice by reason of any order or decision of a court or other government authority having jurisdiction which prohibits Company from furnishing such services.

2.15 Inspection, Testing, and Adjustment

Upon reasonable notice, the facilities provided by the Company shall be made available to the Company for tests and adjustments as may be deemed necessary by the Company for maintenance. No interruption allowance will be granted for the time during which such tests and adjustments are made.

SECTION 2 - RULES AND REGULATIONS, CONT.

2.16 Tests, Pilots, Promotional Campaigns and Contests

The Company may conduct special tests or pilot programs and promotions at its discretion to demonstrate the ease of use, quality of service and to promote the sale of its services. The Company may also waive a portion or all processing fees or installation fees for winners of contests and other occasional promotional events sponsored or endorsed by the Company. From time to time, the Company may waive all processing fees for a Customer. The Company will notify the Commission regarding specific promotions and contests.

2.17 Interruption of Service

Credit allowances for interruptions of service which are not due to the Company's testing or adjusting, to the negligence of the Customer, or to the failure of channels, equipment or communications Systems provided by the Customer, are subject to the general liability provisions set forth in Section 2.4 herein. It shall be the obligation of the Customer to notify Company immediately of any interruption in service for which a credit allowance is desired by Customer. Before giving such notice, Customer shall ascertain that the trouble is not within his or her control, or is not in wiring or equipment, if any, furnished by Customer and connected to Company's terminal. Interruptions caused by Customer-provided or Company-provided automatic dialing equipment are not deemed an interruption of service as defined herein since the Customer has the option of using the long distance network via local exchange company access.

2.18 Cost of Collection and Repair

The Customer is responsible for any and all costs incurred in the collection of monies due the Carrier including legal and accounting expenses. Customer is also responsible for recovery costs of Carrier-provided equipment and any expenses required for repair or replacement of damaged equipment.

2.19 Returned Check Charges

A fee of \$20.00, or five percent of the amount of the check, which ever is greater, may be charged for each check returned for insufficient funds.

2.20 Service Implementation

Absent a promotional offering, service implementation or installation charges will apply to new service orders or to orders to change existing service for the services listed in Section 3.

2.21 Reconnection Charge

A reconnection fee of \$30.00 will be charged when service is re-established for customers who have been disconnected for non-payment, and is payable at the time that the restoration of suspended service and facilities is arranged.

2.22 Operator Service Rules

The Company will enforce the operator service rules specified by the Commission and by the FCC.

SECTION 2 - RULES AND REGULATIONS, CONT.

2.23 Access to Telephone Relay Services

Where required by the Commission, the Company will participate in telephone relay services for handicapped and/or hearing impaired end users, and will comply with all regulations and requirements. The Company shall impose any monthly surcharge or any other related charge upon its local exchange telecommunications subscribers as may be required by state law.

2.24 Access to Carrier of Choice

End users of the Company's local service shall have the right to select the interexchange telecommunications service provider (IC) of their choice. The IC should request confirmations/verifications of choice from its customers no later than the date of submission of its first bill to the customer. The Company should maintain signed letters of agency or confirmations of choice on file for use in dispute resolution.

2.25 Directory Listings

2.25.1 The Company does not publish a directory of subscriber listings. The Company, however, does arrange for the Customer's main billing number to be placed in the directory or directories of the dominant local exchange carrier.

2.25.2 The rates and regulations specified herein for directory listings apply only to the alphabetical section of the directory. Listings are intended solely for the purpose of identifying subscriber's telephone number and as an aid to the use of telephone service.

SECTION 2 - RULES AND REGULATIONS, CONT.

- 2.25.3 The listings of subscribers, either without charge or at the rate specified within this tariff for other listings are arranged alphabetically and are not intended for special prominence of arrangement. In accepting listings as requested by subscribers or prospective subscribers, the Company will not be a party to controversies between subscribers as result of the publication of such listings in the directories.
- 2.25.4 Listings must conform to the Company's specifications with respect to the directories. The Company reserves the right to reject listings when in, its sole judgment, such listings would violate the integrity of company records and the directories, confuse individuals using the directory, or when the customer cannot provide satisfactory evidence that he is authorized to do business as requested.
- 2.25.5 The Company reserves the right to limit the length of any listing to one line in the directory by use of abbreviations when, in its sole judgment, the clearness of the listing and the identification of the subscriber is not impaired.
- 2.25.6 Generally, the listed address is the location of the subscriber's place of business or residence.
- 2.25.7 Liability of the Company due to directory errors and omissions is as specified in Section 2 of this tariff.
- 2.25.8 Generally, a business listing consists of a name or dual name, a designation descriptive of the subscriber's business if not self-explanatory, the address, and the business telephone number. The main listing is ordinarily the name of the individual, firm or corporation which contracts for the service or the name under which a business is regularly conducted.

2.26 Special Construction

Subject to the agreement of the Company and to all of the regulations contained in this tariff, special construction of facilities may be undertaken on a reasonable efforts basis at the request of the Customer. Special construction is construction undertaken:

- A) where facilities are not presently available, and there is no other requirement for the facilities so constructed;
- B) of a type other than that which the Company would "normally" utilize in the furnishing of its services;
- C) over a route other than that which the Company would normally utilize in the furnishing of its services;
- D) in a quantity greater than that which the Company would normally construct;
- E) on an expedited basis;
- F) on a temporary basis until permanent facilities are available;
- G) involving abnormal costs; or
- H) in advance of its normal construction.

SECTION 2 - RULES AND REGULATIONS, CONT.

2.27 Universal Emergency Telephone Number Service (911, E911)

- 2.27.1 This tariff does not provide for the inspection or constant monitoring of facilities to discover errors, defects, or malfunctions in the service, nor does the Company undertake such responsibility.
- 2.27.2 911 information consisting of the names, addresses and telephone numbers of all telephone customers is confidential. The Company will release such information via the Data Management System only after a 911 call has been received, on a call by call basis, only for the purpose of responding to an emergency call in progress.
- 2.27.3 The 911 calling party, by dialing 911, waives the privacy afforded by non-listed and non-published service to the extent that the telephone number, name, and address associated with the originating station location are furnished to the Public Safety Answering Point.
- 2.27.4 After the establishment of service, it is the Public Safety Agency's responsibility to continue to verify the accuracy of and to advise the Company of any changes as they occur in street names, establishment of new streets, changes in address numbers used on existing streets, closing and abandonment of streets, changes in police, fire, ambulance or other appropriate agencies' jurisdiction over any address, annexations and other changes in municipal and county boundaries, incorporation of new cities or any other similar matter that may affect the routing of 911 calls to the proper Public Safety Answering Point.

2.27 Universal Emergency Telephone Number Service (911, E911) (continued)

2.27.5 The Company assumes no liability for any infringement, or invasion of any right of privacy of any person or persons caused, or claimed to be caused, directly or indirectly by the use of 911 Service. Under the terms of this tariff, the Public Safety Agency must agree, (except where the events, incidents, or eventualities set forth in this sentence are the result of the Company's gross negligence or willful misconduct), to release, indemnify, defend and hold harmless the Company from any and all losses or claims whatsoever, whether suffered, made, instituted, or asserted by the Public Safety Agency or by any other party or person, for any personal injury to or death of any person or persons, or for any loss, damage, or destruction of any property, whether owned by the customer or others. Under the terms of this tariff, the Public Safety Agency must also agree to release, indemnify, defend and hold harmless the Company for any infringement of invasion of the right of privacy of any person or persons, caused or claimed to have been caused, directly or indirectly, by the installation, operation, failure to operate, maintenance, removal, presence, condition, occasion, or use of 911 Service features and the equipment associated therewith, or by any services furnished by the Company in connection therewith, including, but not limited to, the identification of the telephone number, address, or name associated with the telephone used by the party or parties accessing 911 Service hereunder, and which arise out of the negligence or other wrongful act of the Public Safety Agency, its user, agencies or municipalities, or the employees or agents of any one of them, or which arise out of the negligence, other than gross negligence or willful misconduct, of the Company, its employees or agents.

2.7.8 Customer Complaint Procedure

Carrier will resolve any disputes brought to its attention as promptly and effectively as possible. Customer Service Representatives can be reached by dialing the toll free number set forth on all bills. (Toll Free: 1-877-564-7000.)

Any unresolved disputes may be directed to the attention of the Kentucky Public Service Commission, 211 Sower Boulevard, P.O. Box 615, Frankfort, KY 40602 or toll free by dialing 1-800-772-4636.

In the event of a dispute concerning an invoice, the customer must pay a sum equal to the amount of the undisputed portion of the bill and notify the Company of the disputed portion.

Local Exchange Telephone Service

SECTION 3 - DESCRIPTION OF SERVICE

3.1 Local Service Areas

The Company's service area will mirror that of BellSouth within the State of Kentucky.

3.2 Timing of Calls - Usage-Sensitive Products

3.2.1. Usage charges for usage-sensitive products are based on the actual usage of the Company network. The Company will determine that a call has been established by signal from the local telephone Company.

3.2.1. *Minimum billed call duration and billing increments differ from product to product. Product specific information is included in Section 4 of the Rate Schedules.*

3.2.1. Usage is measured and rounded to the next higher billing increment for billing purposes.

3.2.1. There is no usage-based billing applied for incomplete calls.

Local Exchange Telephone Service

SECTION 3 - DESCRIPTION OF SERVICE

3.3 Service Offerings

3.3.1 Residential Service

Residence Service provides the Customer with a single, voice-grade, DTMF communications channel. Each Local Line will include a telephone number, as well as access to the services specified. Residence Service is that service furnished in:

1. Private homes or apartments, including all parts of the subscriber's domestic establishment, for domestic use and not for substantial occupational use;
2. In the study of a clergyman located in a church;
3. In a college fraternity or sorority house, college dormitories, convents and monasteries for domestic rather than occupational use in residential quarters.

3.3.2 Business Services

The Company's Business Services are offered for local calling using the facilities of the Company's authorized underlying Local Exchange Carrier(s). The Company's Business Services are offered primarily to the following:

1. Offices, stores, factories, mines and all other places of a strictly business nature;
2. Offices of hotels, boarding houses, apartment houses, colleges, quarters occupied by clubs and fraternal societies, public, private or parochial schools, hospitals, nursing homes, libraries, churches, and other institutions; and
3. Services terminating solely on the secretarial facilities of a telephone answering bureau.

SECTION 3 - DESCRIPTION OF SERVICE, CONT.

3.3 Service Offerings, cont.

3.3.3 Directory Listings

For each Customer of Exchange Access Service(s), the Company shall arrange for the listing of the Customer's main billing telephone number in the directory(ies) published by the dominant Local Exchange Carrier in the area at no additional charge. At a Customer's option, the Company will arrange for additional listings at an additional charge.

3.3.5 Directory Assistance

Customers and users of the Company's business and residential calling services (excluding Toll Free services) may obtain directory assistance in determining telephone numbers within the state by calling the Directory Assistance operator.

A credit will be given for calls to Directory Assistance when: (1) the Customer experiences poor transmission or is cut-off during the call; (2) the Customer is given an incorrect telephone number; or (3) the Customer inadvertently misdials an incorrect Directory Assistance NPA.

To receive a credit, the customer must notify the Company of the problem experienced.

3.3.6 Extended and Expanded Area Calling Services

Extended and Expanded Area Calling Service allows the Customer to make calls to specific NXX codes within designated exchanges outside the Customer's Local Calling area without paying intraLATA toll rates. The Customer is billed per call according to the duration of the call. The Company will mirror all existing extended and expanded calling areas the ILEC currently has in place for facilities-based or resold services.

SECTION 7 – LIFELINE PROGRAM**7.1 General**

(A) The Lifeline program is designed to increase the availability of telecommunications services to low income subscribers by providing a credit to monthly recurring local service for qualifying residential subscribers. Basic terms and conditions are in compliance with the FCC's Order on Universal Service in CC Docket No. 97-157, which adopts the Federal-State Joint Board's recommendation in CC Docket No. 96-45, which complies with the Telecommunications Act of 1996.

(B) Lifeline is supported by the federal universal service support mechanism.

(C) Federal baseline support of eight dollars and twenty-five cents (\$8.25) is available for each Lifeline service and is passed through to the subscriber. An additional three dollars and fifty cents (\$3.50) credit is provided by the Company. Supplemental federal support of one dollar and seventy-five cents (\$1.75), matching one half of the Company contribution, will also be passed along to the Lifeline subscriber. The total Lifeline credit available to an eligible customer in Kentucky is thirteen dollars and fifty cents (\$13.50). The amount of credit will not exceed the charge for local service, which includes the access line, the Subscriber Line Charge and local usage.

(D) Designated Services Available To Lifeline Customers:

- (1) Single Party Service
- (2) Local Usage
- (3) Touch Tone Services
- (4) Voice Grade Access to the Public Switched Network
- (5) Access to Emergency Services
- (6) Access to Operator Services
- (7) Access to Interexchange Services

SECTION 7 – LIFELINE PROGRAM

7.2 Regulations

(A) General

- (1) Customers eligible under the Lifeline program are also eligible for connection assistance under the Link-Up program.
- (2) One low income credit is available per household and is applicable to the primary residential connection only. The named subscriber must be a current recipient of any of the low income assistance programs identified below.
- (3) A Lifeline customer may subscribe to any local service offering available to other residential customers. Since the Lifeline credit is applicable to the primary residential connection only, it may not be applied to multiple lines in a package for local service.
- (4) Toll blocking, if elected, will be provided at no charge to the Lifeline subscriber.

SECTION 7 – LIFELINE PROGRAM

Lifeline Program (Continued)

Regulations (Continued)

(A) General (Continued)

(5) No deposit will be required of a Lifeline customer who subscribes to toll blocking. If a Lifeline customer removes toll blocking prior to establishing an acceptable credit history, a deposit may be required. When applicable, advance payments will not exceed the connection and local service charges for one month.

(6) The Federal Universal Service Charge will not be billed to Lifeline customers.

(7) Lifeline subscriber's local service will not be disconnected for non-payment of regulated toll charges. Local service may be denied for non-payment of local calls. Access to toll service may be denied for non-payment of regulated tolls.

(8) At no time shall a customer's Lifeline rate go below zero.

7.3 Eligibility

(A) Customers are eligible if they participate in at least one of the following programs:
Medicaid, Food stamps, Federal Public Housing Assistance, Supplemental Security Income, Low Income Home Energy Assistance Program, Temporary Assistance to Needy Families (TANF), or National School Lunch's free lunch program (NSL). Additionally, a customer with total gross annual income that does not exceed 135% of the federal poverty income guidelines may apply directly to the Kentucky Public Service Commission for Lifeline eligibility certification.

(B) All applications for service are subject to verification with the state agency responsible for administration of the qualifying program.

7.4 Certification

- (A) Proof of eligibility in any of the qualifying low income assistance programs should be provided to the Company at the time of application for services; or eligible Lifeline subscribers may enroll in the Lifeline program by signing a document certifying under penalty of perjury that the customer participates in one of the Kentucky Lifeline eligible programs and identifying the qualifying program. The Lifeline credit will not be established until the Company has received such signed document. If the customer requests installation prior to the Company's receipt of such signed document, the requested service will be provided without the Lifeline credit. When eligibility documentation is provided subsequent to installation, the Lifeline credit will be provided on a going forward basis.
- (B) The Company reserves the right to periodically audit its records, working in conjunction with the appropriate state agencies, for the purpose of determining continuing eligibility. Information obtained during such audit will be treated as confidential information to the extent required under State and Federal laws. The use or disclosure of information concerning enrollees will be limited to purposes directly connected with the administration of the Lifeline plan.
- (C) When a customer is determined to be ineligible as a result of an audit, the Company will contact the customer. If the customer cannot provide eligibility documentation within 60 calendar days, the Lifeline credit will be discontinued.
